PLEASE REMEMBER: This is the weekend of the Queen's Cup Steeplechase in Mineral Springs.  
You will want to plan your drive accordingly, and may wish to avoid Hwy 75.

Carolinas Jumper Circuit (CJC) is established to promote local level Jumper competitions in the Carolinas. It is an affiliation of show organizers, managers, trainers and exhibitors.

All classes to be run in accordance with USEF eligibility requirements and levels of difficulty where applicable. The same horse/rider combination can not cross-enter at the same horse show. Refer to USEF Rule Book Chapter JP. Horses are limited to entry in not more than six (6) classes per competition.

Points are accrued by members through participation in recognized classes at shows recognized by CJC. Horses/Ponies must be recorded in order to accrue points toward year end placings. Points accrue per horse/pony per class/division, not to be combined.

For more information, or for membership application/horse recordings, please visit [www.carolinasjumpercircuit.com](http://www.carolinasjumpercircuit.com).

### Gambler's Choice Specifications

The points for each obstacle will vary from 20 - 100 and each obstacle may be jumped twice. In the event of a knockdown, no points are given and the obstacle is not rebuilt that round. Obstacles may be jumped in either direction and the start/finish line may be crossed from either direction. Riders will be given 75 seconds to jump as many obstacles as they are able in any order. Once the horn sounds, the round is over and the rider must cross the finish line to have their time recorded. In the event of a tie in points, time will decide the placings.

Four (4) Entries to fill Gambler's Choice Classes.

The payout will be \$50 for First Place, \$30 for Second Place, \$20 for Third Place.

Good Luck and Have Fun!
